### **Abstract Guidelines**

- **Abstract Submission Timeline**

The deadline for abstract submission is 25th December 2020. The results of the peer review will be announced by 01<sup>st</sup> January 2019. The submitting author will be notified by email. Subsequent correspondence will be with the presenting author(s).

- **Author Information**

At the beginning of the abstract submission process, you will be asked to enter author information and affiliations. Please do not submit an abstract if none of the authors intend to attend the conference to present it, in the event that it is accepted. All abstracts must be submitted online. The corresponding author is responsible for the abstract content. This author is the contact person for submission and communication purposes and is also responsible for disseminating information related to the abstract to the co-authors. If accepted, your abstract will be included in the abstract book of the conference as a supplement to the International Journal of Mycobacteriology (published by Medknow).

- **Language of Abstract:** English

- **Number of Submissions:** Each author can submit two abstracts per topic.

- **Preferred Presentation Format**

Please select one of the following presentation options during online abstract submission:

\*Oral

\*\*Poster \*. Please be informed only a limited number of oral presentations are possible, therefore majority of authors will be offered a poster presentation.

\*\* Poster size : (1.25\*1.25)

- **Submission Format**

Prepare your abstract in a word processing software such as MS Word, Word Perfect, or a text editor such as MS Write. For preparation of an abstract, please follow these format directions: **The abstract text should not exceed 500 words.** Authors are responsible for proofreading and submitting an abstract without errors.

Abstract should contain the following sections:

1. **Title:** Please ensure that the first word of your title starts with a Capital Letter. BOLD entire title.

2. **Authors:** Please indicate the presenter with an asterisk. If there is more than one author, list the authors with last name and initial. Separate authors with a comma. Example: Nasiri MJ, Hadadi M\*, Derakhshani S. Important: If the presenting author is not indicated with an asterisk, the first author will be considered as the presenter and it cannot be changed in any situation.

3. **Affiliation:** Please write the affiliation of the authors as the following order e.g. ": Department (or hospital), School (or Faculty), University (or Research Institute), City, Country. Example: Department of Microbiology, School of Medicine, Shahid Beheshti University of Medical Sciences, Tehran, Iran."
